

SecureVideo Referral Partner Program

About Our Partnership Program

SecureVideo's Partnership Program gives various types of healthcare and "healthcare-adjacent" businesses and organizations the opportunity to benefit from a more structured partnership with us. Each type of partnership has its own process and associated benefits, and our team will work with you to determine the best fit based on your unique situation!

Referral Partnership

A potential Referral Partner would be an individual or entity that commonly works with healthcare practices and has relationships within the healthcare industry. Ideally, they would have regular opportunities to introduce our platform to those in their network and refer potential customers to SecureVideo. If the prospect becomes a customer, the Referral Partner will receive a 20% commission for the first 12 months.

Partnership Benefits

- ▶ Complimentary first month for referred accounts
- ▶ Training resources and education opportunities
- ▶ Dedicated partner relationship manager
- ▶ 20% commission for 12 months
- ▶ Co-branded marketing material and event collaboration
- ▶ Website and content highlight

Become a Partner in 4 Easy Steps

- 1 Notify SecureVideo of Interest in Referral Partner Program
- 2 Participate in an initial discovery call with a SecureVideo team member
